2. You said you are, you are trouble
 But I was not born yesterday
 Why don't you come a little closer
 I don't care what you say

Man your words are big and your words are fine
 But I'll rub up against you till you change your mind
 You can talk a real blue streak
 But I'll be dancing with you cheek to

3. I can see you think you know me
 You think I will stay away
 I don't take no for an answer
 I don't care what you say

Your words are big and your words are fine
 But I'll rub up against you till you change your mind
 You can talk a real blue streak
 But I'll be dancing with you cheek to

4. That's too bad, you have aroused me
 Now watch how I'll get risque
 Your hips are so intriguing
 I don't care what you say
