Some girls like a man with restraint  
 At first just a peck on the cheek, first base  
 Some want a man who communicates well  
 Gives her flowers and never is late  
 Well that's well and good if you're the patient kind  
 But my patience kind of got lost some how  
 I ain't lookin' for Mr. Right  
 I'm lookin' for Mr. Right Now

Some girls think if they kiss enough frogs  
 They'll get a prince in shiny armour  
 Some girls think it takes a hole in one  
 To land themselves a charmer  
 Well, I just want to get one in the hole  
 It don't matter if, or how he's endowed  
 I aint lookin' for Mr. Right  
 I'm lookin' for Mr. Right Now
